SIR

I have the honour to state in accordance with the Municipal Council s Resolution No XIV(35) dated 30th June 1924 copy of which was forwarded to you with this Office letter No 53 dated 9th September 1924, the Octroi Daroga was divested of all out-door work the Collector being made to exercise supervision over both Octroi and Mohatarfa collections It is however observed that this arrangement is not working satisfactorily as the Collector along with his other duties connected with the Mohatarfa Branch cannot possibly exercise sufficiently close supervision over octroi collection

In order to improve matters in this direction the Octroi Daroga was also put in charge of the out-door work and asked to inspect the Ookads both by day and night The Daroga being in close touch with the work of the Ookads this arrangement has been working satisfactorily

In consideration of the foregoing facts the Municipal Council in their Resolution No 345 dated 29th May 1926(copy enclosed) have approved of the grant of a conveyance allowance of Rs 15 per month to the Octroi Daroga with effect from 1st December 1925 the date from which he has been performing out-door work

As observed by the Financial Secretary in the enclosed file it is not desirable that the cycle allowance in municipalities should vary. Even what is allowable at 7-8-0 seems to be a suppressed allowance from which to keep a bicycle in good order

The cycle allowance given to executive subordinates of this Municipality varies from Rs 5 to Rs 10 according to the size of their jurisdiction, and the Daroga's duties, unlike that of other subordinates in receipt of a cycle allowance extending to all the City Cutcherries, for inspection both by day and night It is in consideration of this fact that the Municipal Council fixed the Cycle allowance proposed to be given to Octroi Daroga at an enhanced rate of Rs 15 A copy of Council's Resolution No 53 dated 13th September 1926 on the subject is enclosed herein for reference

I request that sanction of Government may kindly be accorded to this proposal of the Council, with effect from 1st December 1926, the date from which the Octroi Daroga has been performing out-door work
